The proposal involves additional recurring expenditure on Civil funds, and under para 23 of the Financial settlement order of 13.5.1918 a certificate from the Comptr as to whether there is margin for such addl expenditure is necy -

As from the previous certificate furnished by that officer, and also from a perusal of the printed proceedings in the budget (copy under 'civil administration') 1918 it is seen that there is no margin for sanctioning addl expenditure, the extra expenditure may perhaps be initially sanctioned till the end of the year and the same continued, if the funds of the prov. 'civil administration' as per settlement afford sufficient margin when considering the budget for next year.

Dear Mr. Hiriyannaiya,

Mr. Larmour of Calcutta, who is entrusted with the manage-ment of the Kalighat Mysore Memorial, has asked for additional grant for its upkeep on account of rise in the prices of all commodities and the following proposals of his have been approved by His Highness.

(1) That one Gardener, in addition to the Establishment sanctioned under G.O. No. 655-8/ Muz. 123-16-2 dated 6th September 1916, may be appointed, to look after the Gardens, on Rs. 12/- in 12-1-14 grade, per mensem, owing to the extension of the Ghat to three times its original length.

(2) That the monthly grant of Rs. 200/- sanctioned for daily charity under G.O. No. 5264-9/Muz. P. 26 of 1896 dated 27th May 1908, may be enhanced to Rs. 240/-, per mensem.

(3) That the annual grant of Rs. 600/- sanctioned under the above G.O. for repairs and maintenance, may be raised to Rs.750/- per annum.

and (4) That the annual grant of Rs. 123/- sanctioned, under the same G.O., for contingent expenses, may be raised to Rs. 300/ per annum.

The net increase as now sanctioned by His Highness is Rs975/- per annum and I am to request you to kindly have necessary orders issued in the matter, at an early date, with the approval of the Dewan.

Copy of Mr. Larmour's letter is herewith sent for information.

Yours sincerely,

60, Bentinck Street, Calcutta,

24th October 1918.

Mirza M. Ismail, Esq., B.A.,
Huzur Secretary to H.H. the Maharaja of Mysore,
The Palace, Mysore.

Dear Sir,

Mysore Memorial [illegible]

I enclose you letter in original from the Local Agent at the above Memorial. The price of all commodities has risen so greatly that it is impossible to continue to work the Memorial on the lines laid down by the Government of Mysore in their order of the 27th May 1908 No. 5264 and from the Local Agent's accounts you will observe that my expenditure every month exceeds the budgeted amount.

I am therefore compelled to ask you to obtain His Highness's sanction and ask for an additional grant for the upkeep of the Memorial. Rice which cost in August Rs 4/10/- per maund was in September Rs. 5/5/6 this month Rs6/1/-. The amount for contingencies too, is quite inadequate. Lastly the extension of the ghat to nearly three times its original length and the addition of a Ladies Pavilion makes it impossible for us to work the place with the staff I have. I therefore in anticipation of santion added one man to my permanent staff on a pay of Rs 12/- a month increasing by annual increments to 14/- a month. I am at present pending sanction paying him 11/- monthly out of the money granted for improvements at the Memorial. Would you kindly place before His Highness, the Proceedings of the Government of Mysore- Mumrai Department- No. 5264 of 27th May 1908. In the schedule there- set forth you will notice that beyond the "Contingent" allowance there is no

provision for the garden and the many things required for its upkeep. This contingent allowance is Rs 123/- per annum or 11/- a month, but if you will refer to the Local Agent's accounts for the last six months since April 1918 you will find that the expenditure has been, April 5-0-3, May 2-13-3- June 14-3-3, July 11-0-3, August 27/- and September 28-6-9 or Rs 88-7-9, so that the average monthly expenditure had been Rs 14-11-11.

The articles required for the daily Poojah even have advanced so much in price that only by the strictest economy and curtailing the quantities am I able to keep anywhere near the budgeted amount.

When the Memorial and grounds are lighted as has already been sanctioned an additional monthly provision will have to be made for gas or Electric current.

It can hardly be expected that I shall be able to continue to follow my avocations in Calcutta for much longer and when I leave, a successor will have to be found and I am anxious to have things straightened up for him to start on, whenever that may be.

I enclose a list of the sanctioned monthly expenditure and my suggestions for the future and shall be glad to know that these have the approval of His Highness.

If, as I hope, His Highness will be in Calcutta at an early date I shall have the pleasure of visiting the Memorial with him, discussing my plans and His Highness will be able to judge of the requirements at the Memorial and see that my suggestions are not unreasonable.

I am, Dear Sir,

Yours faithfully,

Sd/ F.A. Larmour.
